### MATURATION

Avenue to Gold possesses a very lifted aromatic and excellent ripe fruit that create a lasting mouth feel.

The Avenue to Gold 2019 displays a vibrant crimson colour. Aromas of Fresh blackberry and juniper which evolve to pipe tobacco, dried sage and rosemary. The wine enters the palate with power and presence carrying liquored blackberry and coal dust flavour at first impression. It turns savoury slowly delivering black peppercorns and umami notes which provide a lovely mouth watering finish.

This wine has a very complex finish which touches on both fruit and savoury details. Avenue to Gold's fine tannins and acidity will bring pleasure in its youth and allow long cellaring.
