

“LOVE OVER GOLD” GRENACHE 2021

VINEYARD : Comes from dry grown bush vines planted in 1997 - at 545m elevation this is some of the highest Grenache in South Australia.

VINTAGE : Mild, with a slow ripening season over a long Indian Summer. Handpicked on the 7th of April, the fruit has carried its freshness and vibrancy.

WINEMAKING: Destemmed and tipped into a one tonne fermenter. Gentle pump over and slow extraction until full dryness. Only the free run was placed into a 3 year old French oak barrel.

TASTING NOTES : Soft palate with extremely precise and thin tannins that caress and carry on the freshness and intensity.
