“LOVE OVER GOLD” SHIRAZ 2018

LOVE OVER GOLD SHIRAZ 2018

VINEYARD :Vines were planted in 1928. The bunches are formed with a long framework and very loose clusters and picked at optimum ripeness on the 29th of March in 2018. Bunch thinning manages low yields and high quality fruit.

VINTAGE : 2018 is an excellent Eden Valley Vintage. Coming from a 95-year-old vineyard, the old vines are able to withstand heat spikes, as well as its elevation which brings cooler night temperatures.

WINEMAKING : Destemmed by hand, berry by berry and fermented slowly over weeks. Ten percent whole-bunch Gentle pigeage was performed twice daily with the natural ferment progressing at a cool temperature. Once ferment was complete and after 24 days, free run was drained to a 2 year old extra tight grained French puncheon.

TASTING NOTES Core of ripe and defined fruit with tannins that are coating and very long. It will age effortlessly over 20-25 years.
