

NV Billy Button Sparkling Red

A welcome addition to the range alongside the NV Prosecco, Bianco, Rosato and Rosso, this Sparkling Red is made for immediate enjoyment.

In this range, blended components vary year to year depending on the season and careful blending is used to create interesting wines featuring an abundance of varieties. Even though this range is made on a slightly larger scale than other Billy Button wines, all the components are made using a small batch ethos and are kept separate until the final blending.

A blend of Durif, Saperavi and a little Shiraz for balance, this is sure to be your new go-to celebratory drink! An instant Summer classic and welcome addition to the range.

Tasting Notes
