

# Bream Creek Vineyard

◇ T A S M A N I A ◇

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 61 trophies and more than 1,150 show medals.

## 2023 Bream Creek Vineyard Estate Pinot Noir

### ***Tasting Note***

Vintage 2023 was similar to Vintage 2022, with a later than usual start. The impact of the *La Nina* weather pattern resulted in very modest yields, due to the lower bunch and berry sizes. The upside is that this lower quantity has resulted in excellent quality across all wine styles.

A delightfully fresh bouquet of flowers, red fruits (cherries, plums, raspberries), cedar and spice. The palate is similarly fresh and lithe, showcasing similar flavours, subtle and integrated tannins and a long finish carrying red fruits, a hint of cocoa and spice.

*“Cherry, raspberry, kind of succulent, but fresh too, with some spice, perfume, and quiet autumnal notes. It’s medium-bodied, plenty of juicy cherry and raspberry flavour, spiced plum, a pleasing sort of floral mouth-perfume, fine-grained tannin, and a finish of very good length, a little twist of orange peel bitterness to close. I can’t quite decide on 93 or 94 points, but either way, it’s a strong vintage for this wine.”* 93+ points Gary Walsh (The Wine Front) April 2024
