

Felicette, Rosé, IGP Pays d'Oc, Roussillon, France, 2023

Producer Profile

Over the last two decades we've been creating wines in the wilds of southern France

Embarking on adventures; exploring, discovering and rediscovering remarkable places and vineyard sites. From the foothills and valleys beneath the iconic Pyrénées, out through the gorges to the coastal areas of the Mediterranean. We've journeyed with our friends and exceptional growers, who excel at their craft and have an inherent respect for the land that they and theirs are a part of. It is these people and places that inspire our winemaking. The wines of Terres Fidèles are designed to express the spirit of this extraordinary place, old vine Grenache, Carignan, Malbec, Cinsault, Viognier and more, that are authentically crafted, small batch wines of the wilds.

Viticulture

The vineyard is planted on the plains and foothills in the south of France, between the Pyrénées and the Mediterranean Sea. The area benefits from two distinctive climates that allow the production of a large diversity and styles of wines: the Mediterranean climate for ripe and juicy wines and the Atlantic climate for more structured and mineral wines. 20 year old vines are planted on clay - limestone soils.

Winemaking

The wine benefits from a period of skin contact and maceration. Pressing of the grapes is carried out in a pneumatic press with separation of free-run juice from pressed must. Cold static must settling then a settling on the fine lees with stirring to highlight the richness of the wine. The wines are then racked off the lees to prevent malolactic fermentation.

Tasting Note

A pale salmon pink wine, refreshing, starry bright and fruity, with delicate red fruits such as strawberry and raspberry.

Food Matching

Salads, shellfish, grilled fish, white meats in creamy sauce.
