

HICKSON HOUSE

MADE of AUSTRALIA

Australian Dry Gin

Alc/Vol: 42%

Sizes available: 700ml

The perfect marriage of traditional juniper and hand-selected Australian botanicals. A gin built for the modern optimist, round, complex and citrus-bright.

Juniper leads, before native thyme, aniseed myrtle and finger lime take it somewhere entirely its own. Finished with a herbal, earthy lift that works as well in a Martini as it does topped with tonic.

Botanicals: Juniper, Coriander Seed, Angelica Root, Orris Root, Licorice Root, Orange Peel, Oolong Tea, Native Thyme, Finger Lime, Aniseed Myrtle.

Aroma: Juniper-forward, with sherbet-like citrus and herbal notes.

Flavour: Round and complex, juicy citrus with herbal aniseed leading into a lingering earthy finish.

Finish: Vibrant and palate-coating, bright and citrusy with a savoury, moreish edge

Australian Dry Gimlet

60ml Hickson House Australian Dry Gin
15ml Lime juice
5ml Sugar Syrup or 15ml lime Cordial

Method: Add all ingredients into a mixing glass w cubed ice, stir for smoothly for 15 Seconds
