Oyster Shell Gin

Alc/Vol: 40%

Sizes available: 500ml, 700ml

Dive in. This isn't just gin, it's coastal ambition, bottled. Smooth, creamy, and just a little bit daring, with a wink of ocean salt cutting through bright juniper and zesty citrus.

It's what happens when refinement gets a sea breeze and decides to go exploring.

Designed to shine in a Martini, freshly shucked oyster shells find new life in our distillation, adding natural minerals for a silky, rounded finish, whilst seaweed and old man saltbush bring savoury depth and a quiet nod to the coastline that started it all.

Botanicals: Juniper, Coriander Seed, Angelica Root, Orris Root, Old Man Saltbush, Tarragon, Finger Lime, Ruby Grapefruit, Seaweed, Sydney Rock Oyster Shells.

Aroma: Bright citrus, a breath of ocean spray.

Flavour: Juniper and citrus with delicate saline and subtle minerality.

Finish: Long, dry, slightly salty, with lingering herbal and mineral notes.
