

LAMY-CAILLAT  
CHASSAGNE-MONTRACHET

SAINT AUBIN  
APPELLATION D'ORIGINE CONTRÔLÉE  
EN L'EBAUPIN

- Lieu-dit «En l'Ebaupin»
- Grape variety: chardonnay
- Cadastral parcel D2182-D2183-D2184, area: 3,034 sq.m.
- Plantation year: 1963
- GPS: N: 46° 56' 49" / E: 4° 41' 41"
- Altitude 338 to 363 meters
- Average number of bottles per year: 2,000
- Maturation time: 24 months
- Hand bottled, no filtration

Very steep slope, up to 38%, with a southern exposure and a wide temperature range between day and night; the wines are often chiseled and delightful.

Most certainly comes from the shrub: the hawthorn. The legend has it that Saint-Martin, while passing by the region, would have stuck his walking stick in the mountain of Saint-Aubin, giving birth to the hawthorn, a tree symbol of youth and purity.
