

Côte de Nuits Villages 'Préau' 2022

A marvelous expression of this hidden terroir nestled on the Côte des Nuits hillside between the 1er Crus vineyards of Gevery-Chambertin and Fixin. Delicate and lifted, this wine has a captivating nose of small red berries, strawberries, cacao, black licorice, and a touch of white pepper and cloves. Wonderfully textural in the mouth with soft silky tannins. Rich, deep and serious yet maintains a beautiful balance and approachability. These seventy-year-old vines deliver on the same level as their distinguished neighbors.
