

Maressa

Mornington Peninsula

Maressa
Mornington Peninsula
Pinot Gris 2021

Viticulture & Winemaking:

This Pinot Gris was hand-picked, whole-cluster pressed with 25% wild fermented in old French barriques and the remainder fermented cold and slowly in stainless vessels. The resultant wine is both brightly aromatic and vibrant, yet complex, textural and savoury on the palate. 12.4% Alc/Vol.

Tasting Notes:

Aromatically, this wine is vibrant and expressive, offering lifted pear with cinnamon spice notes.

The palate is textually fine and juicy. A fleshy fruit profile sits above a lovely line of lively acidity. The finish is persistent yet refreshing.
