

MOUNT PLEASANT

2023 Estate Grown Hunter Valley Semillon

A wonderful year in the Hunter Valley, plenty of rain produced great crops with excellent power and freshness. Remaining cool over the summer, with great fruit the result, picking intensely flavored berries with great natural acidities and excellent balance.

COLOUR: Pale Straw

AROMA: Intense citrus and lemongrass combine with bottle age characters of lanolin and toast

PALATE: Concentrated fruits of lemon and lime, beautiful acidity driving through the palate showcasing the amazing length of this wonderful style.
