

MOUNT PLEASANT

2019 Philip Shiraz

Sourced entirely from our own vineyards, our Philip Shiraz comes exclusively from the Old Hill, Old Paddock, and Rosehill vineyards. This wine is a perfect example of Mount Pleasant and the season that was. Rich in tannin, brilliant in colour and flavour, all displaying that classical Hunter Valley medium body and wonderful length.

Vinification And Maturation

Combination of hand and machine picking, destemmed and chilled to open top stainless-steel fermenters. A short 3-day cold soak followed inoculation with pump overs 2 times daily. Pressed off skins just prior to dryness and racked to tank for MLF. Post this the wine was racked to between 10% - 15% new French 500L barrels. After 10 months aging the wine was transferred to tank and bottled shortly after.

Tasting Notes

An intense palate of fresh fruits, red and black berries coupled with spice and hints of blue fruits. A beautifully fine tannin structure, showcasing a true medium bodied Hunter Valley shiraz with its perfectly balanced acidity, and impeccable length.

Drinking Window

Designed to be drunk in its youth with friends and family, this wine will reward short term cellaring.
