

2022 MOHUA SAUVIGNON BLANC

Sub Regions	Lower Wairau, Wairau Valley and Southern Valleys	
Season	2022 began with excellent soil moisture levels, which, combined with early season warmth produced excellent spring growth followed by an above average fruit set. The warm growing season was punctuated with February rainfall which replenished soil moisture levels through to harvest.	
Harvest	16 March – 3 April	
Analysis	Brix av: 22 pH: 3.37	TA: 7.5 RS: 5.3g/l
Alcohol	12.2%	
Clone	MS	
Cellaring	1 – 2 years	

TASTING NOTE: Expressive aromatics of dark lime, lemongrass, fresh cut rocket and sweet bay leaf combine with a succulent ripe citrus palate. A refreshing wine with lovely poise and length.
