## Skipjack 2022 Pinot Noir

### **Tasting Notes:**

Ripe summer berry and cherry nuances of this Pinot Noir, flow onto a medium-bodied palate. A gentle infusion of oak and subtle hints of crushed herbs add complexity, creating a finely balanced wine with an elegant, velvety finish.

### **Winemaker's Notes:**

A smaller crop this vintage led to more concentrated flavours. The fruit was hand picked and fermented in stainless fermenters, then pressed off to barrels where the wine stayed for about 8 months before being blended, fined with egg whites and filtered before bottling.
