

*This classic wine is our offering to Eurus, Greek God of the East Wind, and is only made in exemplary vintages when Eden Valley Cabernet Sauvignon displays outstanding quality. Eden Valley is typically cooled in the mornings and evenings by Easterly gully winds which are ideal for slowing the ripening and refining varietal flavours.*

## **2022 EURUS Eden Valley Cabernet Sauvignon**

### **Wine Description**

Deep crimson in colour, with an alluring mix of black currants, violets and spiced-cedar aromas. The well-structured and focused palate displays richness and complexity. A wine with excellent 'bones' which will mature gracefully for many years to come.

### **Winemaking**

This wine is from the vintage's best Cabernet Sauvignon parcels and in 2022 it was a blend of the Eden Valley Cranes Range and the Long Gully Vineyards.

The fruit was handpicked and 100% de-stemmed into small open top fermenters, for approximately 20 days. Naturally fermented and hand plunged daily then pressed to a mix of new and seasoned French oak hogsheads for maturation. Matured in barrel for 15 months with no racking, before being clarified and bottled without filtration.

### **Vineyard | Region**

Cranes Range Vineyard Cabernet Sauvignon, 37 year-old vines | Central sub-region, Eden Valley

Long Gully Vineyard Cabernet Sauvignon, 35 year-old vines | Angaston sub-region, Eden Valley

### **Harvest Dates**

Cranes Range Vineyard 26<sup>th</sup> April 2022
