2023 ADELAIDE PINOT NOIR

COLOUR	Medium red with violet hues
AROMA	Notes of spice with ripe cherry, strawberry and undertones of delicate sweet oak.
PALATE	Luscious cherry and rhubarb blend with hints of spice, framed by velvety tannins and a persistent finish.

WINEMAKING

Specially selected parcels of premium Pinot Noir fruit underwent cool fermentation on skins to extract optimal colour and flavour. Following this, the wine was gently pressed into stainless steel. Maturation with a light level of French oak finely rounds off the profile, preserving the wine's vibrant freshness.

VINTAGE SUMMARY

The 2023 vintage experienced cool, consistent weather throughout the growing season, leading to a prolonged period of grape maturation. This resulted in a harvest with exceptionally concentrated flavours, especially noted in the Pinot Noir and Chardonnay varieties. The unique conditions of the year fostered the development of vibrant, spicy reds and elegantly aromatic whites, all distinguished by their robust varietal characteristics and excellent natural acidity.
