2021 BAROSSA SHIRAZ

COLOUR	Deep red with crimson hues
AROMA	A delightful blend of cedar, warm spices and delicious forest fruits.
PALATE	Bramble, mulberry, and plum flavors, complemented by fine tannins and subtle toasty oak.

WINEMAKING

Shiraz from carefully selected vineyards in the Barossa Valley was fermented in temperature-controlled stainless steel tanks for approximately 7-10 days to enhance colour, tannin, and flavour. Following malolactic fermentation, the wine was aged on French oak for approximately 12 months.

VINTAGE SUMMARY

With relatively good rainfall in autumn, and again towards the end of spring, soil moisture levels were generally good heading into summer. This, along with reasonably cool summer temperatures, meant the vines in Barossa were healthy, with a good number of bunches set, and berry size remaining at optimum levels for high-quality wine grape production.
