2024 PINOT GRIGIO LIGHTER IN ALCOHOL

- COLOUR** ————— Fresh pale straw.
- AROMA** ————— Juicy nectarine and zesty lemon with soft floral notes.
- PALATE** ————— Refreshing and vibrant with citrus, pear and vivid mouthwatering minerality.

WINEMAKING

Harvested in the cool night air to ensure peak freshness and quality, the fruit was cool fermented in individual batches in stainless steel. Lees stirring was employed to add length and roundness to the palate. The wine was then blended, stabilised, and filtered prior to bottling.

VINTAGE SUMMARY

Vintage 2024 offered ideal conditions for grape ripening. The summer's warm days and cool nights, combined with reduced rainfall, ensured the fruit achieved optimal ripeness. As a result, the wines showcase exceptional varietal flavours, featuring bright, spicy reds and clean, aromatic whites.

ENJOY WITH

Roasted vegetable and burrata antipasto sandwich, or stuffed calamari in lemon butter sauce.
